## Foreword

We will soon leave behind us forever the marble halls of our beloved alma mater. As we depart from its student body and join the ranks of the alumni, we carry with us the fine ideals of sportsmanship and scholarship which have been instilled in us here at Cato-Meridian Central School.

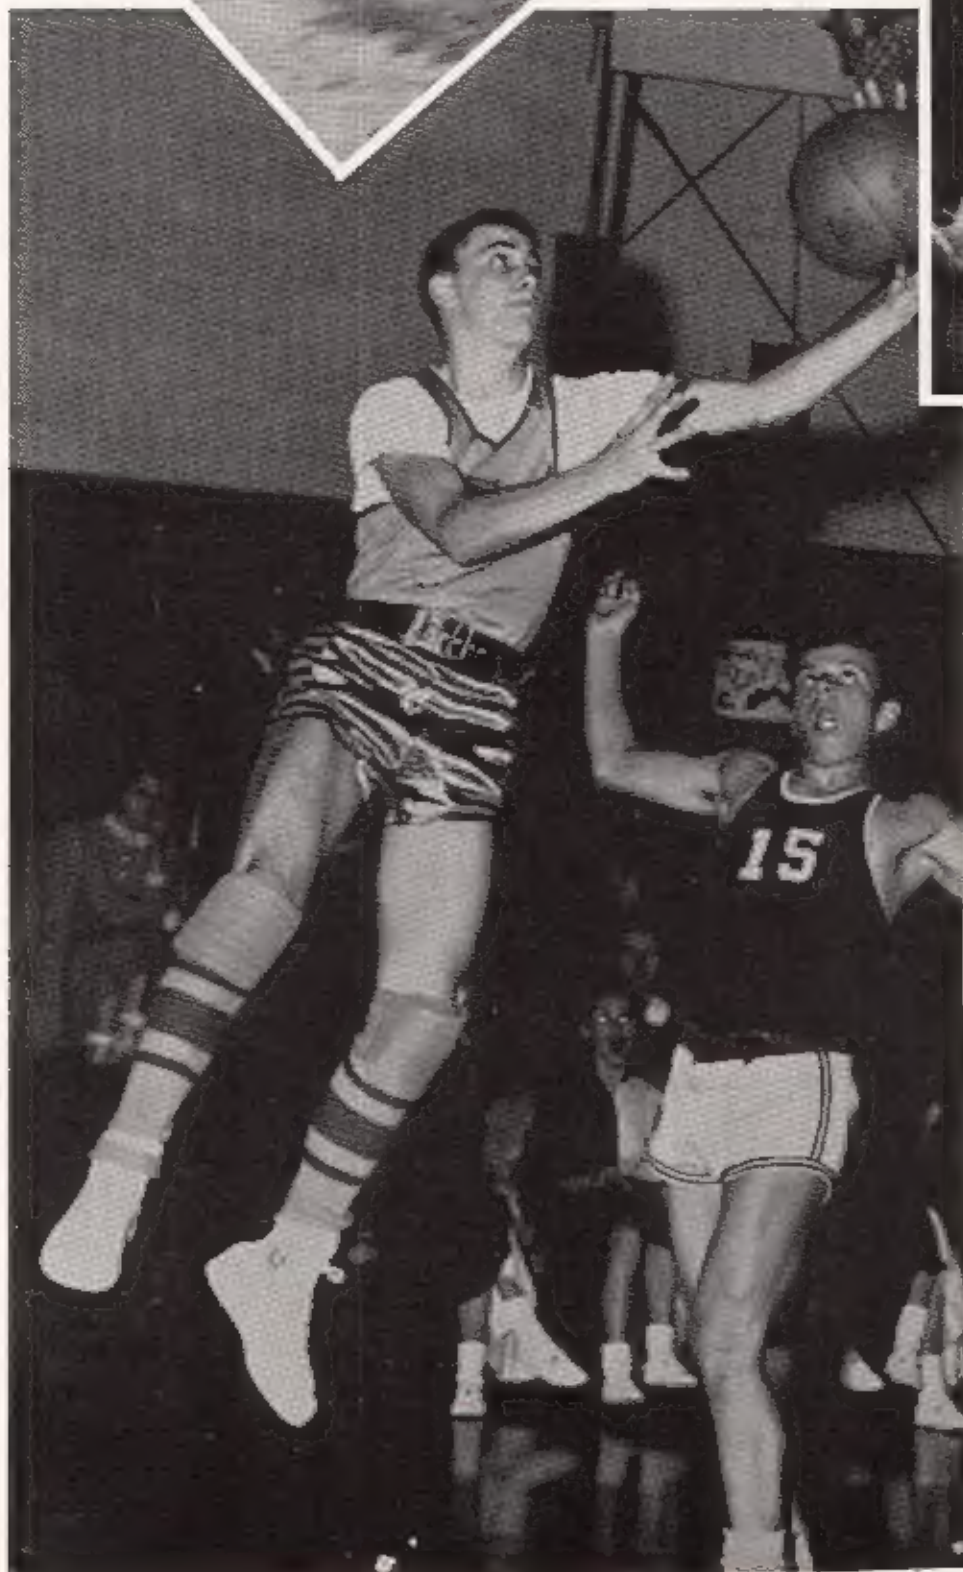

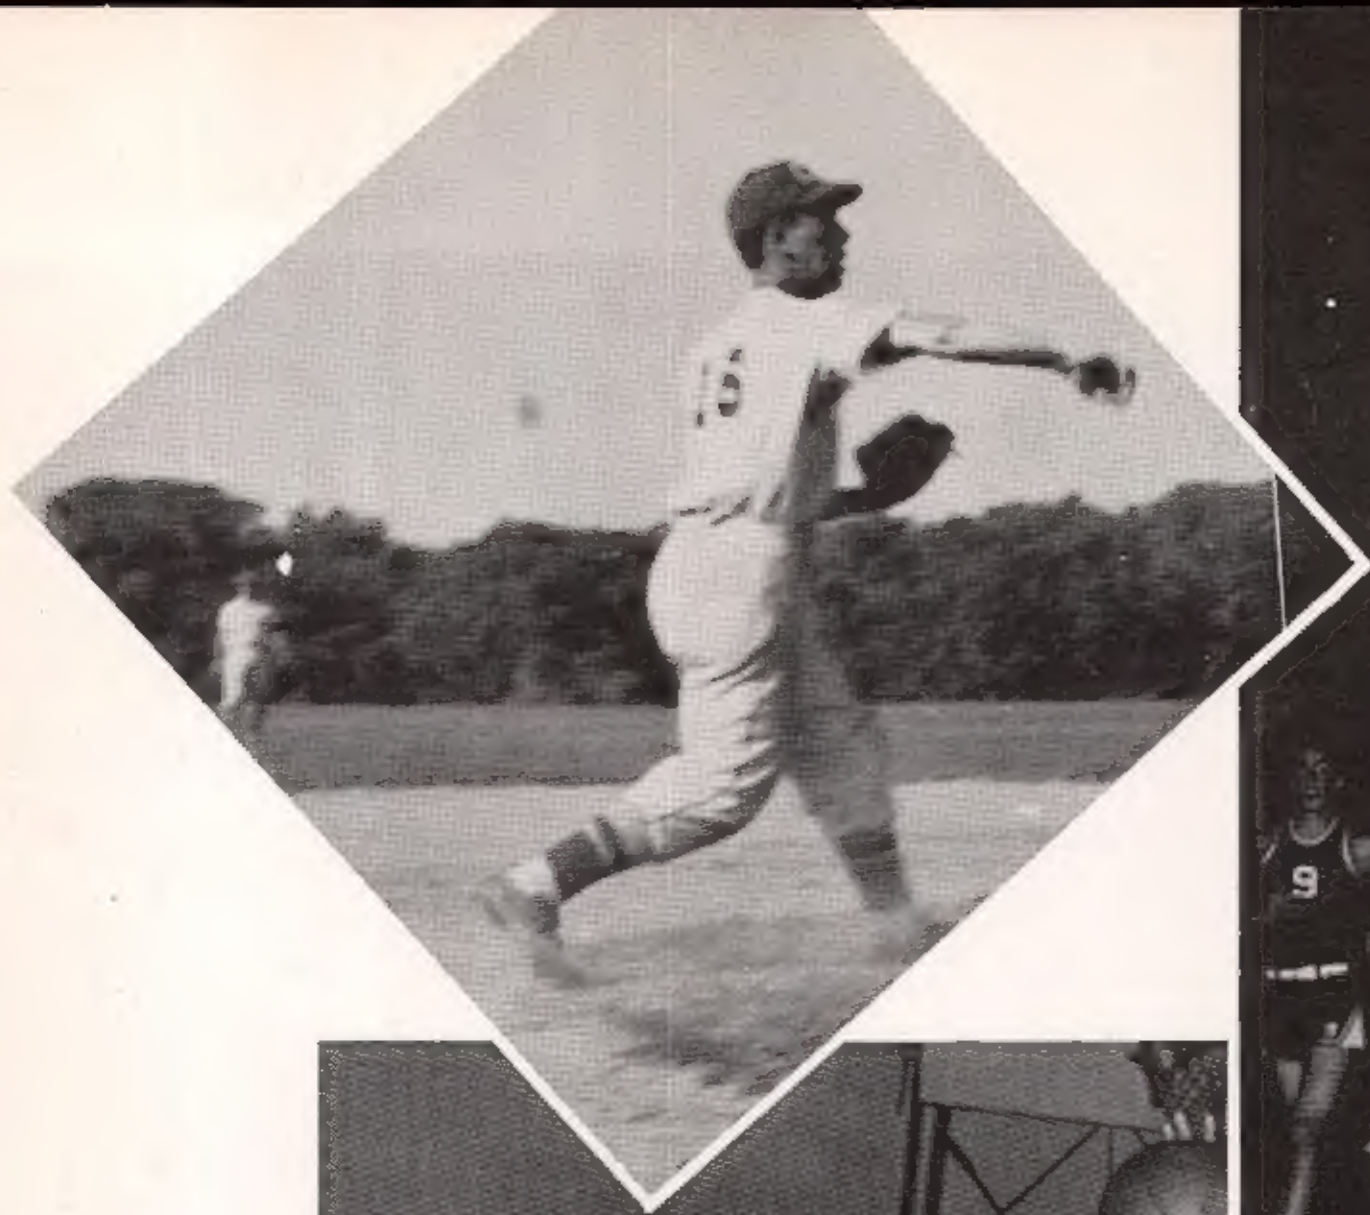

# DEDICATION

We, the class of 1956, gratefully dedicate our yearbook to two fine people . . . Miss Mary Alice Dady and Mr. Charles Downer.

In this way we wish to thank them for coaching us in the fundamentals of sportsmanship which have guided us through the preliminary contest of our childhood and prepared us for the difficult Game of Life.

# *These Are the Rules of the Game*

Cato, New York

Dear Friends,

Considering the times in which we live, the choice of sports and sportsmanship as the theme for this yearbook is a very apt one. More than most people realize, our code of sportsmanship reflects our Western culture in contrast to the culture of the peoples against whom we are currently competing for world leadership.

Those of you who have studied history know that the roots of our sportsmanship code lie in the early feudal days of our Western civilization. Born out of the necessity of living in a lawless age, it has survived and developed over the years until today we are guided in our every day relations with each other by a whole body of unwritten rules which influences our behavior more than we really know. Typical of these are the American sportsman's feeling that he should adhere strictly to the rules of the game, even though the officials are not around. "Playing the game" we call it. Accepting penalties for breaking the rules without "beefing" is another. Not "rubbing in" a victory, and following through on promises are others. These rules are not written in books. They are passed along from one generation to another, and the man who does not live up to them soon loses the respect of his fellowmen. He can become an outcast, a man who is known as not living up to the code of decent behavior.

We have all been proud of the great record of our athletic teams. We have a reputation for turning out hard hitting, winning teams. But I think we should be equally proud of the fact that our school, for four out of the last five years, has won the sportsman award of our league. In a day when our Western culture is being so cruelly tested, the consistent winning of this award means that Cato-Meridian Central School shines as a very bright star in the "American Way."

Very Sincerely yours,

*Herbert W. Schroeder*

*Seniors*

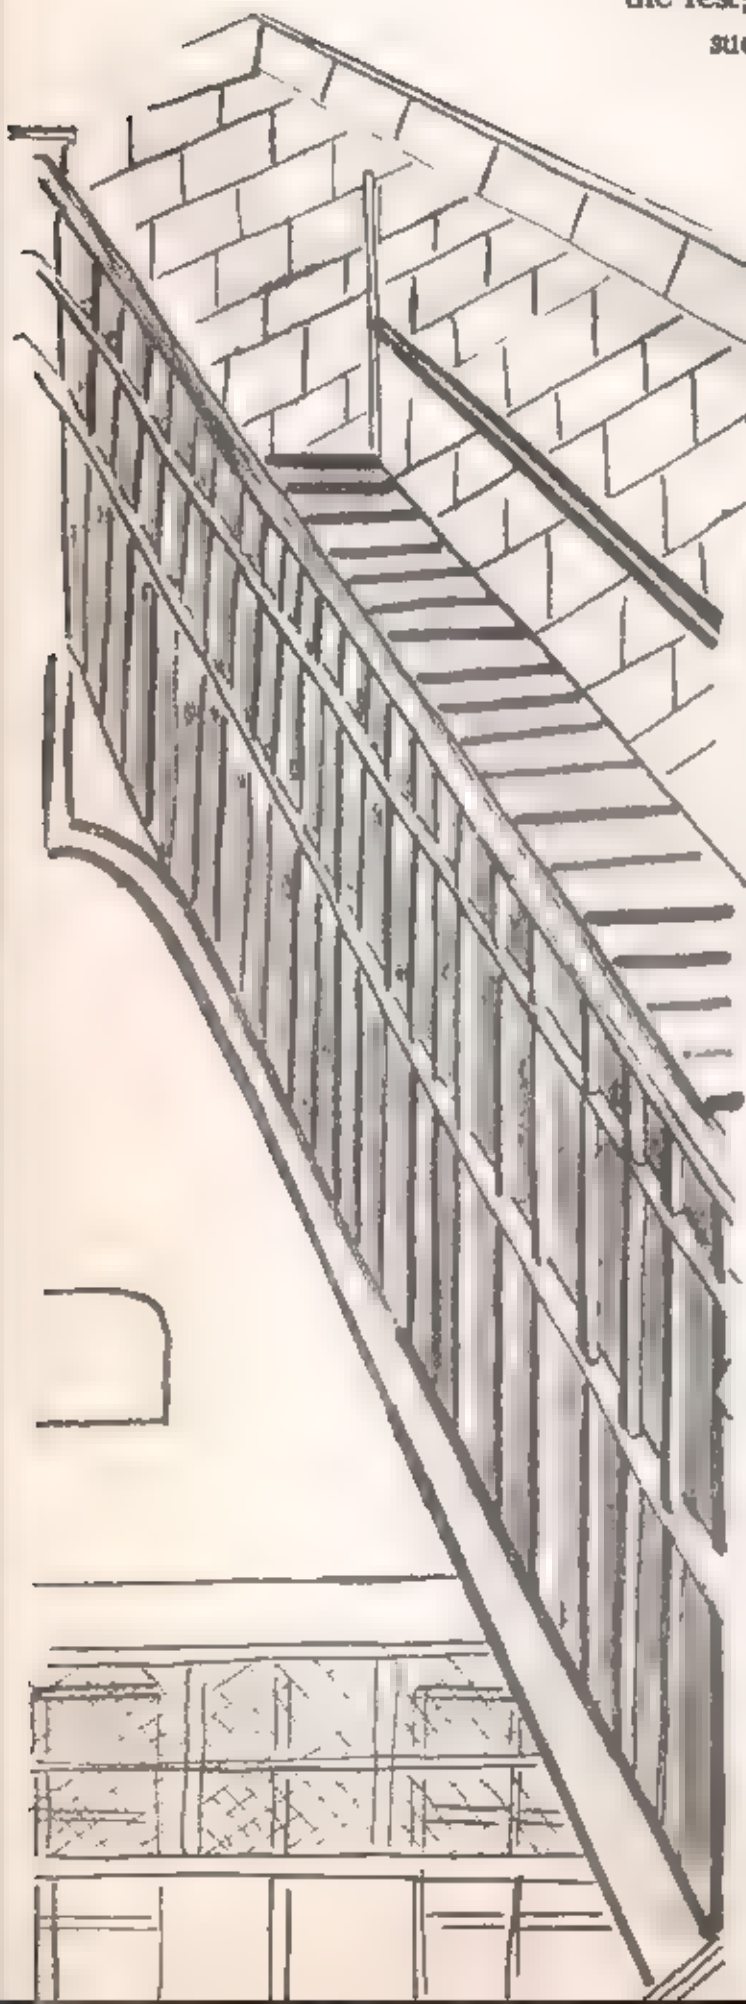

One great day back in nineteen fifty-two, came a new class of Freshmen, bright and true; On making money they were bent, their first move was "Decker for President"! Candy and towels they sold that year, the "Starlight Swing" was a hit, I hear.

As sophomores, they were a sensation, their film dance was a "new revelation"; Cedric Kyle was at the mast, Their "Mid-May Swing" really caused a blast.

In '54 the Junior Class was really on the beam, Ed Decker was again, the able Captain of their team; The "Gobble, Gobble Hobble" really brought a crowd, the Rotary Banquet was one of which they were justly proud. The Senior Ball was held in June, Sammy Blumkin played the tune, Thus was laid a foundation sound, for when their Senior year came 'round.

Underclassmen, step aside! They're Seniors now, you see, They started out their final year not very quietly; The "Rock Around the Clock" proved to be a hit, and the profits didn't hurt the bulging treasury a bit; As the Christmas season came around, the Ball was really great, the Christmas cards and fruit cakes sold at a swift and ready rate. The magazine campaign was swell, the toy sale was a smash; the circus was magnificent, they all brought in the cash. As graduation draws ever near, their memories grow brighter; they've done their best, and beat the rest; their hearts and souls are lighter. In all the plans they undertook, success has been their goal; they've kept their eyes upon the doughnut, and not upon the hole.

The Senior Play got well under motion this year directed by Miss Barbara Slater of the C-M English Department, with the assistance of Mrs. Clara Hardy.

As usual, the play practices were a bit rowdy, but as opening night drew near, the play began to shape up into what we believe was a "right good production." The lively antics of the twins, Winnie and Binnie, and the clumsy maid, Camilla, kept the onlookers in stitches. The appearance of rich, crotchety Aunt Sophronia and Mrs. Buford, the understanding parent, also added much to the play. The older, somewhat emotional sister Evelyn, and Spike, Binnie's pal, do their part to make the play a good one. Jean and Betty and their boyfriends, Mel and Tom, all put on a good performance.

We think you'll agree with us when we say that "Quit Your Kidding" was splendid entertainment.

## *1956 Yearbook Staff*

The yearbook staff is pleased to present a completely different, revolutionary yearbook to its readers. The 1956 edition features a hard cover, a carefully worked out athletic theme, a page featuring baby pictures of the seniors, pictorial division pages and end sheets, different ad page set-ups and a "Traditions" section. Members of the senior class will have yearbooks with padded covers, and their names engraved on the front cover in gold. Something else new is the addition of a few gray hairs on the heads of our editor, Dot Lawver, and our advisor, Mr. Schlupe.

We sincerely hope that you will enjoy reading the yearbook presented for your enjoyment by the Class of '56.

The month is September, the year, 1953. A bunch of rookies just up from the minor leagues stormed the halls of C.M.C.S. Under the leadership of Lowell Colvin, president, Dale Parry, vice-president, Sofie Smelski, treasurer, and Linda Southard, secretary, the eager young frosh sponsored their first dance, the "April Reign." They also sponsored their first fiasco when they attempted to sell plastic bags and towels. Somewhat subdued but undaunted, they surged back in 1954 for their second year in the majors. With Gary Groot, Roy Campbell, Sofie Smelski, and Joyce Bishop as their guiding lights, they put on their second dance, "Patrick's Preamble." Their star rapidly rising now, they entered their junior year. At present, they are under the guidance of Lee Pritchard, Dale Parry, Sofie Smelski, and Nancy Richardson, and they put on a smash attraction, the "Hopplin' Hawkins Hop."

The Senior Class wishes them continued success as they fill our shoes in the Varsity Division next year.

## BLUE DEVILS PREPARE FOR WITH UNION SPRINGS DEC. 2

Most any afternoon around four o'clock the air at C-M is filled with the sounds of the basketball season. In the foyer the cheerleaders are hard at work, and in the gym the boys are going through rigorous training in preparation for a successful season. Coaches Downer and Schlep are hard at work putting the Blue Devils through their paces to insure a big comeback for the team of this year.

The first game of the new season is scheduled for Friday, December 2, when we'll be playing Union Springs here at C-M. Other games have been scheduled as follows:

Friday	Dec. 2	King Ferry	here
Friday	Dec. 9	Holy Family	here
Friday	Dec. 16	Port Byron	here
Friday	Jan. 6	Moreavia	here
Friday	Jan. 10	Weedsport	here
Friday	Jan. 13	Sherwood	here
Friday	Jan. 20	Union Springs	here
Friday	Jan. 27	Moreavia	here
Friday	Feb. 3	Genoa	here
Friday	Feb. 10	Weedsport	here
Friday	Feb. 17	Port Byron	here

Cheerleading tryouts were held on October 25 in the gym with the high school as the judges.

With the season well under way, C-M varsity have scored one win and one loss. The game on December 9 was played too late in this issue, but we'll be with you next time. The Jayvees' first outing of the season got off to a fine start but was here. The Varsity came out with a 37 triumph, while the Jayvees by a 29-26 score.

The Varsity started off slowly as US & before C-M could get into the end of the first half, the score was 19-19. C-M opened a slim lead in the second half, C-M opened a slim lead it all the way for a 42-37 victory over Springs, the defending champions.

Bill Pearce of Union Springs was top scorer the game with 13 points. C-M's scoring was very evenly balanced with Colvin getting 12, Decker and Ford 8 apiece, and Campbell 7. Foul shooting spelled the difference between victory and defeat in both games as C-M came through a little better at the "charity" game. The Jayvee game was a fast-paced, exciting from start to finish, with the issue in until the final horn. Carlton accounted for points, Lynch 8, Ingleston 6, and C-M.

## ARCHERY SET GIRLS RECORD

The girls archery team is eagerly waiting the results of the Central New York Archery meet, held on October 18. Two new records have been established this fall. Dorothy Lawver paced the team with the highest individual score ever achieved at C-M in state, as well as school record. Sandra Johnson, Kathy Ripley, and Ann Root added their scores to Dot's and established a new team record.

On Thursday, October 13, the Junior Juniors defeated Union Springs 7-2 in a girls game. Cato players were Joyce Bishop, Lena Horn, Helen Fear, Sophie Smalski, Phyllis Rotaling, Cynthia Truesdale, Kay McKay, Linda Southard, Janet Scott, Pollett and Lillian Peters.

The football season for 1955 started September 23 with the meeting of Hannibal and Cato. (The score for the first game between Hannibal and Cato will be in the next issue.) We go to the press too early to report this Cato-Meridian will try to win all seven games. If they do, it will be the fifth year without defeat. The schedule for the '55 season is as follows:

- September 23--Hannibal at Cato
- September 30--Weedsport at Cato
- October 7--Cato at Sherwood
- October 14--Moreavia at Cato
- October 21--Union Springs at Cato
- October 28--Cato at Savannah
- November 4--Cato at Port Byron

The following are on the football squad: Ed Decker, Dick Perry, Chuck Longley, L. Colvin, Dale Perry, Bill Carlton, Dave Crier, Art Ingleston, Gary Groot, Vince Garden, A. Pritchard, Gordon Clarke, Don Ingleston and Grier.

Lee Southard, Fred Scott, Don Purdy, Blough, Ted Leffingwell, Curt Nesbitt, Dick Joe Clark, Mike Schroeder, Dick Phinecy, Reynolds and Jim Taylor.

The team managers are Lee Pritchard, Eichelberger, Glen Eichelberger.

The C-M football six has won three out of four games they have played. They have defeated Hannibal, Sherwood and Moreavia. The team broke a four-year winning streak when they bowed to Weedsport 32 to 21.

We started the year right by taking the first game away from Hannibal on September 23 on our own grounds by a score of 12 to 7. Then followed the game with Weedsport. Cato won 22 to 7 at the half, and it looked like another victory, but in the second half Weedsport scored three touchdowns to win.

The game between Moreavia and C-M was played on October 14. We won 31 to 19. It was a windy day which made it tough for both teams. The final home game of the season was played on October 21 against Union Springs. Final results will be brought to you in the next issue. The remaining two games of the season are with Savannah and Port Byron, both away games.

The first afternoon assembly game of the year on December 6 saw Savannah shading C-M Varsity in a 48-45 overtime session. It was a closely played game all the way with neither team able to hold much of a lead. At the half Savannah was leading by a score of 22-19. C-M fought back in the second half to earn a tie at the end of the regulation time. In the three-minute overtime, however, Savannah outscored the Blue Devils, winning a 48-45 victory.

C-M again showed a well balanced attack. Colvin, Tyler, Perry, and Ingleston each scored 13 points. Tyler and Ingleston each scored 10 each. Savannah's high scorers were Tyler, Ingleston, and Perry, each with 13 points. The Jayvees scored 30 points on the game.

On December 16, C-M Varsity met Holy Family of Auburn. The Gaels extended their winning streak to five games at the expense of C-M by a score of 75-52. C-M was unable to cope with Holy Family's fast break. Tyler netted 18 points, and Ford 13. The Jayvees swamped Holy Family by a score of 44-24. High man was Lincoln with 11. Ingleston and Brookhuizen each scored 8 each; Carlton and Brookhuizen six each, and Westbrook five.

On December 9, the C-M Varsity won a close 46-42 decision from a scrappy King Ferry five on the King Ferry court. Colvin was high scorer with 16 points, while Decker made 11 for the winning cause. The Jayvees also successfully invaded King Ferry, adding another game to the win column by the score of 28-17. Ingleston scored 8 points while Carlton, Ly, and Brookhuizen for two points.

Thus far in league play the Varsity record shows two victories as against three setbacks. The Jayvees are sporting four wins and have suffered one loss, to Moreavia in an overtime game.

Friday, January 13, the teams traveled to Cato to face the undefeated leaders to begin the Cayuga County League season. The Jayvees will appear in the next issue of the Sportsman. Also on Tuesday, January 17, C-M and Weedsport will play the assembly game which was postponed one week due to the closing of schools.

The Blue Devils lost both games to Moreavia in the new year. The Varsity scored 24-24 at the half indicates a hard-fought game. The first half was very evenly played. C-M outscored the C-M eagles in the second half for 18 points and Cleon Ford accounted for 18 points in the losing cause. The Jayvees scored 26-27. At the end of the first half, Moreavia led 12 to 2. By the second half, and the third quarter C-M tied it with a 17-12 score, still in favor of Moreavia's five.

Lynch led the attack with 20 points, followed by Pritchard with 4. Westbrook and Lincoln each scored one point.

Port Byron Varsity sneaked by C-M 51-48 in a thriller on December 19, the last game before Christmas vacation. C-M was hampered somewhat by fouling, while Port Byron's success in the throw line helped account for our defeat. Colvin led the C-M aggregation with 12 points respectively.

In preliminary game, the C-M Jayvees were defeated by a score of 38-24. At the half the team led 15 to 13. But C-M came back and won at the final horn. High man was Lynch with 13 points. Lynch and Lincoln each scored 8 points. Ingleston had 7, followed by Decker with 2.

## ADERS ATTEND BANQUET

An annual cheerleader's banquet and clinic was held at Springdale Inn, Auburn on Wednesday, November 2. More than 200 varsity and varsity cheerleaders and advisors attended, including the C-M squads and Miss Mary Dady and Miss Elaine Nobitsville, advisors. The purpose of this banquet is to promote better sportsmanship throughout the county by having the cheerleaders get to know each other before the basketball season starts. The group followed the dinner. The meeting ended with singing of class songs.

## GIRLS SPORTS

Sophomore girls played hockey against Moreavia on October 20. On the following Thursday, Oct. 27,

Determined to do better than last year's disastrous 9 won 5 lost record, the J.V. squad worked hard and started strong to win all their games before Christmas. After vacation the team lost to Moravia in overtime, and to Sherwood the next Friday. With these losses out of their system the boys began to gather speed and finished the rest of the season undefeated. Led by captain, Bert Lincoln, the team atoned for their previous defeats by beating Sherwood and Moravia in the playoffs to regain the County J.V. championship. We look forward to a better year next year.

With three veterans and eight boys up from J. V. 's, C. M. Varsity had some hard work cut out for itself this year. After a fairly good start the Blue Devils went into a mid-season slump, losing four out of five by less than six points. Then Coach Downer's "Chargers" began to get their share of the breaks. They put together a four-game winning streak, before losing a tough one in the season finale, to fall just a game short of the play offs.

Although they had some hard luck and didn't "win them all," the boys never ceased to be fine sportsmen and fiery competitors. At this point, we would like to announce that we have won the league sportsmanship trophy for the third consecutive year, and we are entitled to permanent possession of it. Thus, C-M's fine tradition of sportsmanship has been well carried out.

Even as great empires fall, so too did Cato-Meridian. After five consecutive seasons of never having tasted defeat, this year's team hampered by mud and injuries posted a 3-3-1 record. The season started successfully against Hannibal, but when Weedspert came to town, the roof fell in. Sherwood was a pyrrhic victory with quarterback and passer Ed Decker being side lined for the rest of the season with a broken ankle. Without a passing attack to keep the defense honest, the team was hard pressed on the ground. So we say now - wait till next year.

Under the guidance of Mr. Leo Rogers, Advisor, and the leadership of Dick Perry, Charles Longley, Lela Summerville, and Don Dennison, the C. M. Student Council conscientiously carried out their duties. Three amendments which should considerably improve the constitution were passed. The half-price dance was a success, as was the new student directory put into circulation this year. Plans are under way for a school store, students day, and a sports banquet. This year's Student Council has done a commendable job, not only in governing the students, but also in being of constant service to them.

## Council

The Sports Council consists of girls representing each class of the Senior High. Its purpose is for selecting all-star teams, sports day teams, class and intramural teams. It also makes all important decisions concerning the Girls' Athletic Department.

## Press Club

The press club is a non-profit organization that consists of editor, advisor, photographers, typists, and reporters. The paper is sold every two weeks at 5¢ a copy. The Spotlight is printed at the Cato Show Print. It contains all the news concerning C. M. C. S.

Second row: S. Pope, S. Johanski, G. Pierce, K. Johnson, P. Peters, W. Titus.  
Third row: R. Smith, C. Webster, N. Kelley, E. Glanart.

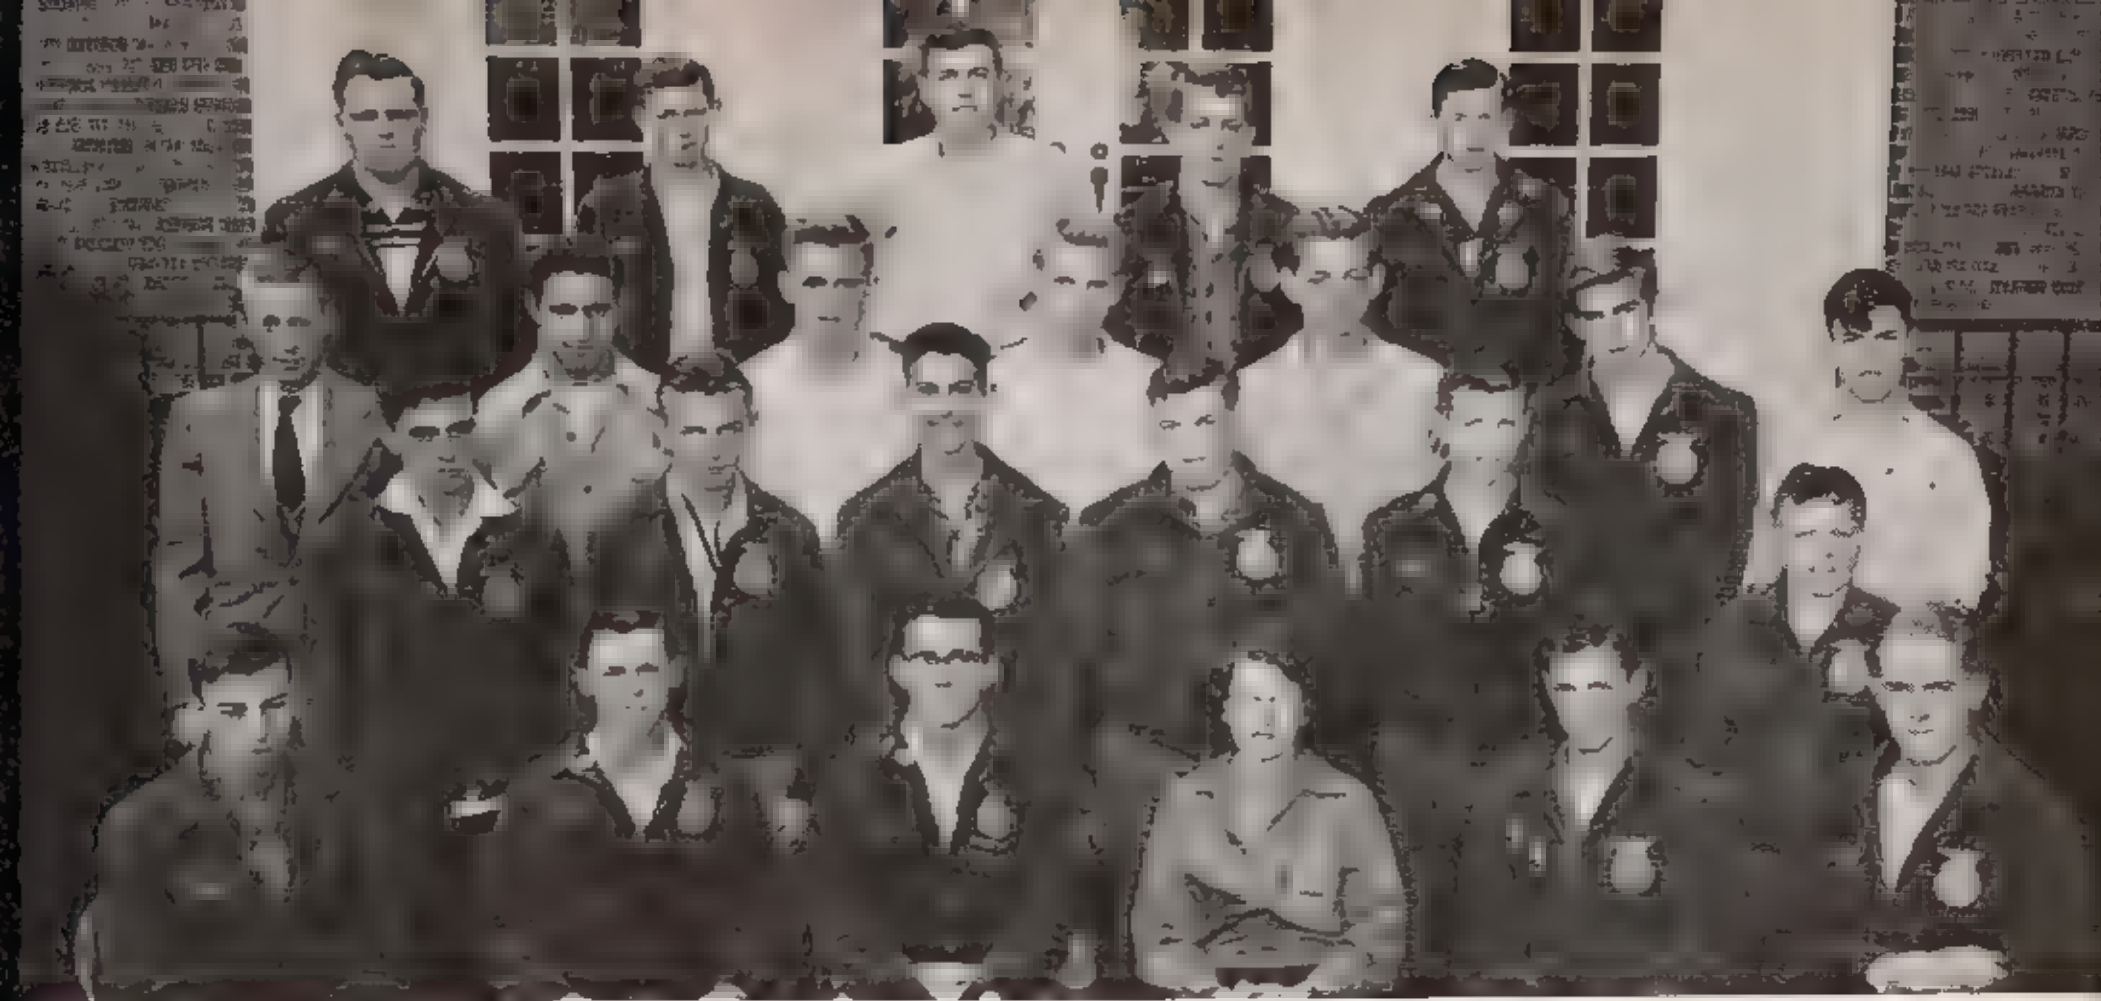

## Fencing Club

The fencing club is a newly-organized group this year. It is open for any member in grades ten through twelve. In addition to the enjoyment of fencing, the sport is useful in developing co-ordination and sportsmanship. Practice is held during regularly scheduled activity periods under the fine direction of Miss Barbara Slater.

# Traditions

As the curtain descends marking the finale of our days at old C-M, we pause in retrospect to examine her traditions - the customs, the connecting links which will always endear her to us.

Of these, there is one which will always be particularly outstanding in our memories - our Senior Trip. Since our freshman days it has been our inspiration, our precious, seemingly unattainable goal. We have sold fruitcakes, plastic towels, candy mints, Christmas cards, toys, magazine subscriptions, dance tickets and circus tickets to you, our sympathetic and unendingly generous friends and relatives. Now, our goal is in sight; our treasury has swelled. New York! Washington! Here we come!

The annual Senior Play is another of C-M's fine traditions. Weeks of hard work, good times, endless memorizing, and rehearsals precede it. When opening night arrives, there is excitement, anxiety, and anticipation in the air. A few lines are forgotten, a few mistakes are made, but as the final curtain goes down, we all agree that "A good time was had by all."

The Christmas and Spring Concerts put on by the Music Department down through the years have become both welcome and enjoyable customs. They are the results of weeks of careful planning and hard work by the band and chorus and their directors. The formal attire of the chorus and the smart uniforms of the band add to the beauty of the music.

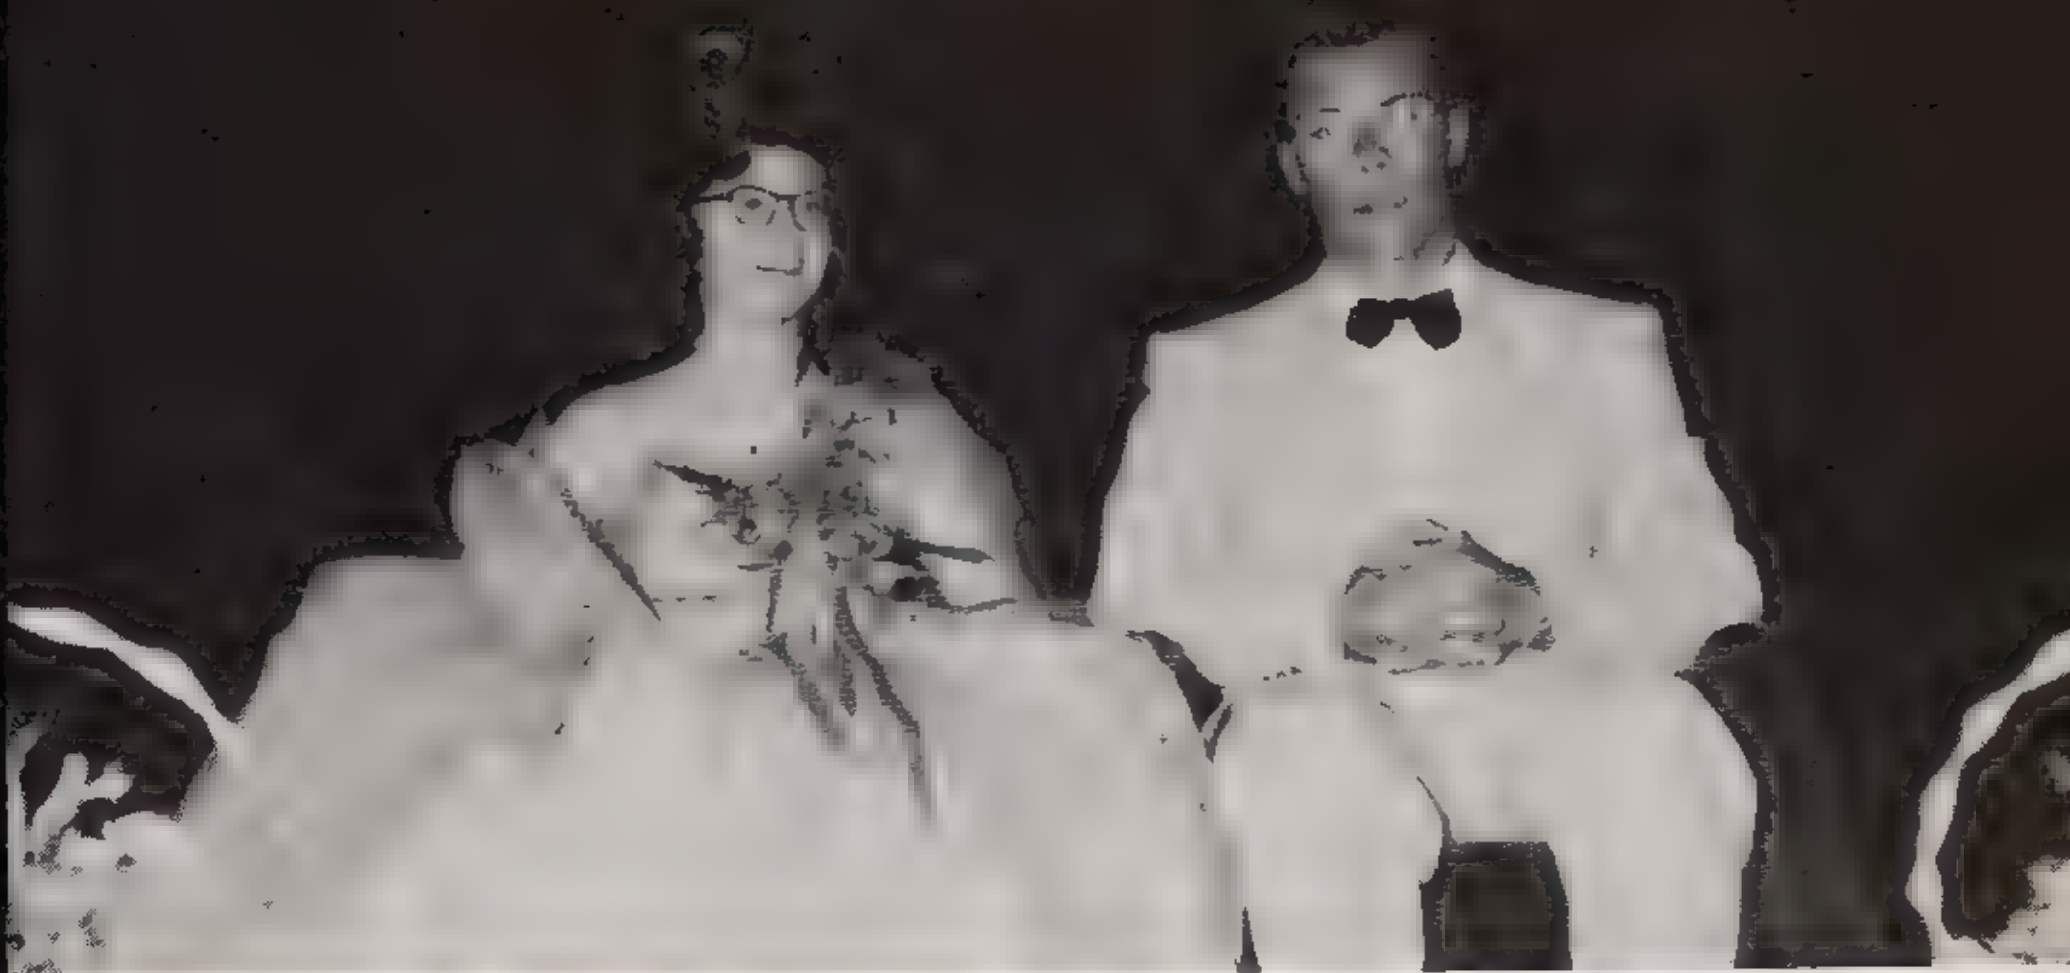

One of the social events of the C-M Christmas season is the senior-sponsored Christmas Ball. Beautiful music, gorgeous decorations make the Ball an enchanting, lovely affair. A queen and king from among the freshman, sophomore, and junior classes are

chosen by the student body. Elected by popular vote this year were lovely Eva Van Norstrand and the wit of the freshman class, Alan Pritchard.

Another established tradition is the Junior-Senior banquet. Held in June, the banquet gives the juniors and seniors a chance to get together for a few last laughs and a good meal served by the sophomores. Faculty members are invited as guests of the classes.

In June, we seniors are guests at a beautiful affair put on in our honor by our worthy associates, the juniors. This tradition, known as the Senior Ball, is one of the biggest events of C-M's social season. The high point of the Ball is the crowning of a king and queen chosen from the senior class by the student body. The lovely music, pretty dresses, and the fellowship with our classmates and alumni make it a truly memorable event. See you there, folks!

For those with athletic talent, the annual sports Banquet is a source of pleasure and reward. Proud parents and friends gather over a delicious meal to see their sons or daughters reap the rewards of a fine year of sports and sportsmanship. Though we don't always win every championship in the league, we find solace in the belief that NEXT year will be different!

There's a certain coonskin hat that is becoming quite an established tradition around old C-M. Of course, any C-M'er knows that we're speaking of the mangy fur piece that adorns the head of our math expert and J.V. coach, Mr. John F. Schluep. (We've yet to find out whether he wears it to keep his head warm or to conceal the top secret basketball plays that always put the C-M J.V.'s in the league playoffs every year.) Incidentally, Coach, congratulations on winning the league's J.V. championship this year.

Another familiar sight at Cato-Meridian is Coach Charlie Downer's neckties. We're not quite convinced yet that they win Lady Luck over to our side, but we think they are a colorful asset to C-M basketball games. By the way, folks, there's a certain red necktie still smoldering in the Downer's trash can!

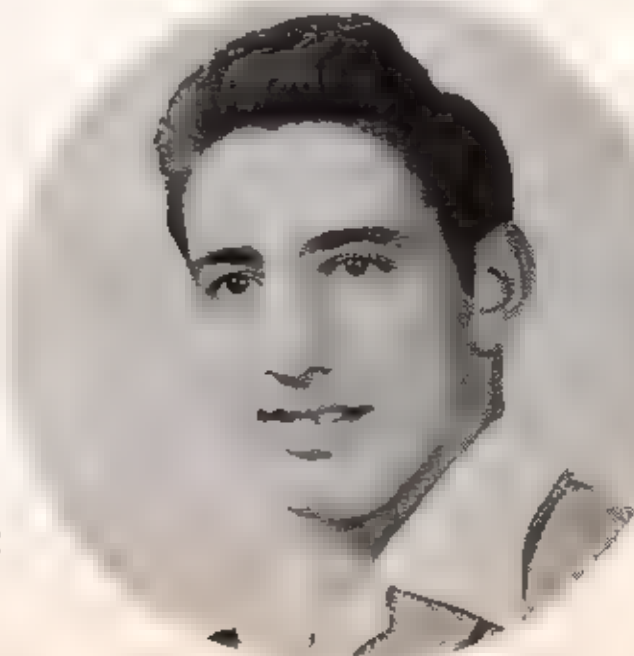

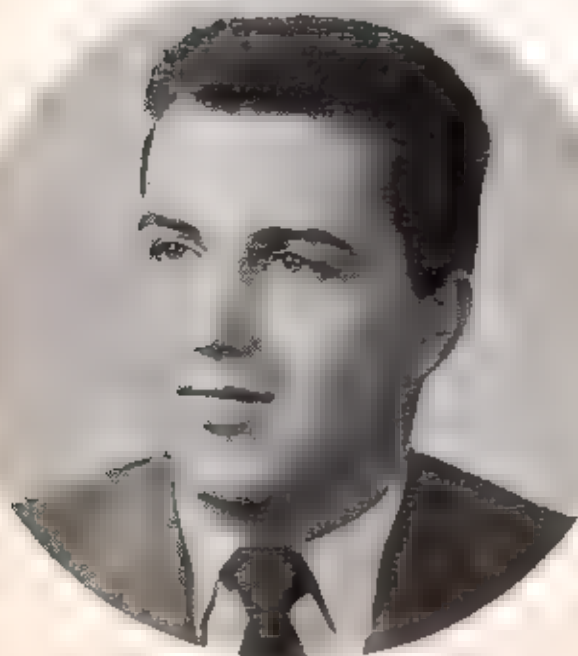

Among the senior class is an honorable organization called the "Filthy Fifteen." Under the able leadership of Paul Hayes, the group has undertaken many worthy projects, the latest one called "Operation Millard A. Mott." At this time we would like to extend our sympathies to Mr. Mott.
